Dear Dr. Del Mundo,

Warmest greetings!

We, the undersigned, are Bachelor of Science in Information Technology students at the University, are currently conducting a capstone project entitled "**Development of Three Dimensional model of Cavite State University — Main Campus Agri-Eco Tourism Park**". The purpose of our 3D modeling project is to create a comprehensive virtual representation of the Cavite State University Agri-Eco Tourism Park in the Main Campus. This model aims to facilitate immersive exploration and understanding of the park's structures, facilities, and ecological features.

May we further request your approval to allow us to survey ten (10) students from this college, five (5) faculty and staff. The purpose of this is for us to gather information to support our research project. Attached herewith is a copy of the questionnaire for your reference.

Rest assured that the data we will be collecting will be treated as confidential and will be used for this purpose only.

We are hoping for your kind approval.

Thank you very much. God bless.

Sincerely yours,
